We are Taylor Higson

A specialist print and packaging recruitment agency

Established in 2012, **Taylor Higson** provides a specialist recruitment service to the print and packaging industry, and as such are one of the **UK's leading recruiters in this area**. We offer our services to a range of clients in the printing and packaging sector globally.

Our expert team have **over 35 years' combined experience** in recruitment. We have fantastic relationships with some of the biggest organisations within our specialism and the network needed to match our clients with their dream hire.

As the industry has changed, so have we. Over the past few years, we've watched it diversify to include more **direct marketing services**, offering its customers **data analytics, digital marketing, outsourcing, e-billing, design, branding, eCrm** and **electronic document management**. As a result, we as a print recruitment business have evolved and grown our service offering too. We still love all the good stuff like **direct mail, POS, print management, signage, digital print, transactional mail**, and **large format**; but we now cover all the added extras too, backed up by a specialist packaging function.

If you are looking for **new members of staff**, starting from graduates right the way through to board level and everything in between, we can help. **Our expert approach and in-depth experience** of working within the industry makes our entire management of your hiring cycle seamless.

We're proud to be the **only recruitment company** partnered with the **British Printing Industries Federation** (BPIF) to provide fellow members with exclusive access to top print industry talent and industry-leading recruitment expertise.

What our Clients have to say...

"I've worked with **Jonathan** for the last three years and have never received anything other than incredible service. Quick to identify our needs, he was always able to drill into the true nature of our requirements - even when the information that he was given was sketchy at best! He is an absolute pleasure to work with and I look forward to continuing our relationship for many years to come."

John Stanhope
IT Director – iMail

"I have been working closely with **Laura** for 12 months now and it has been a pleasure. **Laura** is knowledgeable, passionate, forward thinking, professional & approachable. She has taken the time to really understand our business and our recruitment requirements. **Laura** along with her team have run a successful campaign for one of our new sites and has gained the upmost respect from myself & senior stakeholders. I could not recommend working with **Laura** enough!"

Lucy Britton
Recruitment & HR Advisor – APS Group

"From our initial conversation, **Yasmine** really took the time to get to know me, my position and where I wanted to go with my career. She listened and made it her mission to make sure she found me the right position within the right company. Her tenacity and marketplace insight were invaluable to my final placement."

Edward Hayden
Sales Director – Octink

"**Yasmine** has been such a huge help on finding myself an exciting new role, a role that I've always desired that will bring personal and professional achievements for myself. The support and communication have been amazing! She has listened to me and understood exactly what my goals are and what success I'm wanting to achieve in my next career move. There has been plenty of opportunities, but using her wealth of experience **Yasmine** has been a significant factor in sourcing the perfect position for me! I would personally like to thank you."

Chris Page
